

# FRUITESSE & ELIXIR

## *Ingredients*

- LEMON (ORGANIC) 1
- ELIXIR D'ANVERS 20 ML
- LIEFMANS ON THE ROCKS 120 ML
- ICE CUBES

## RECETTE

1. Use a vegetable peeler to slice a few nice zests (thin, flat strips from the outside of the peel) of the organic lemon. Don't have an organic one? Then wash your lemon thoroughly. Set the zest aside and squeeze the lemon.
2. Pour 20 ml of freshly squeezed lemon juice and 20 ml of Elixir d'Anvers together in a sturdy glass, stir and fill your glass with ice cubes.
3. Top with 120 ml Liefmans On The Rocks. Garnish with a lemon zest and a straw. Tip: only use freshly squeezed fresh lemon juice. There is no substitute!
